KINGSTON IS DOOMED

City Is Gradually Sinking
Into the Sea

Conditions There are Such
That Pestilence is
Now Feared

BILL PASSED CONGRESS CARRY-
ING AUTHORITY TO USE
NAVAL SUPPLIES.

KING EDWARD GIVES \$5000

Entire U. S. Marine Corps, and All
Surgeons With Atlantic Fleet,
Ordered to Kingston.

Kingston, Jan. 18.—There has been a complete, and it is hoped a permanent cessation of the seismic shocks which continued since Monday. The weather continues fine and today Governor Swettenham called all able bodied white men to aid in the work of rescue or restoration. Early today a number of the most dangerous wrecks from which all the injured and dead were removed, were dynamited. Burial squads reported nearly five hundred bodies interred. Now it is certain the list of Americans killed in the disaster will be much greater than at first supposed. Several bodies buried yesterday and supposed to be those of English people are now thought to be Americans. So far only eight Americans are reported as missing to Governor Swettenham, but no attempt has been made yet to check up the list of dead and missing.

The Myrtle Bank hotel, the favorite resort of American tourists, is completely razed. The debris is not yet fully exposed.

Details of soldiers are scouring the city for all foodstuffs. These will be placed under guard and distributed equally among the victims of the disaster.

Kingston is still in danger of sinking into the sea. Measures today show the sea is steadily encroaching. The water has advanced several feet since yesterday. The entire shore line and harbor floor are altered. Great fissures, starting at the water's edge run back inland and are many feet in depth. There were several slight slides along the sea shore today.

Hungry looters invaded the stricken city last night and were freed upon by the provost guard. It is not believed, however, that anyone was hurt as the soldiers didn't shoot to kill. The looters are hungry natives seeking food. They made no attempt to take valuables.

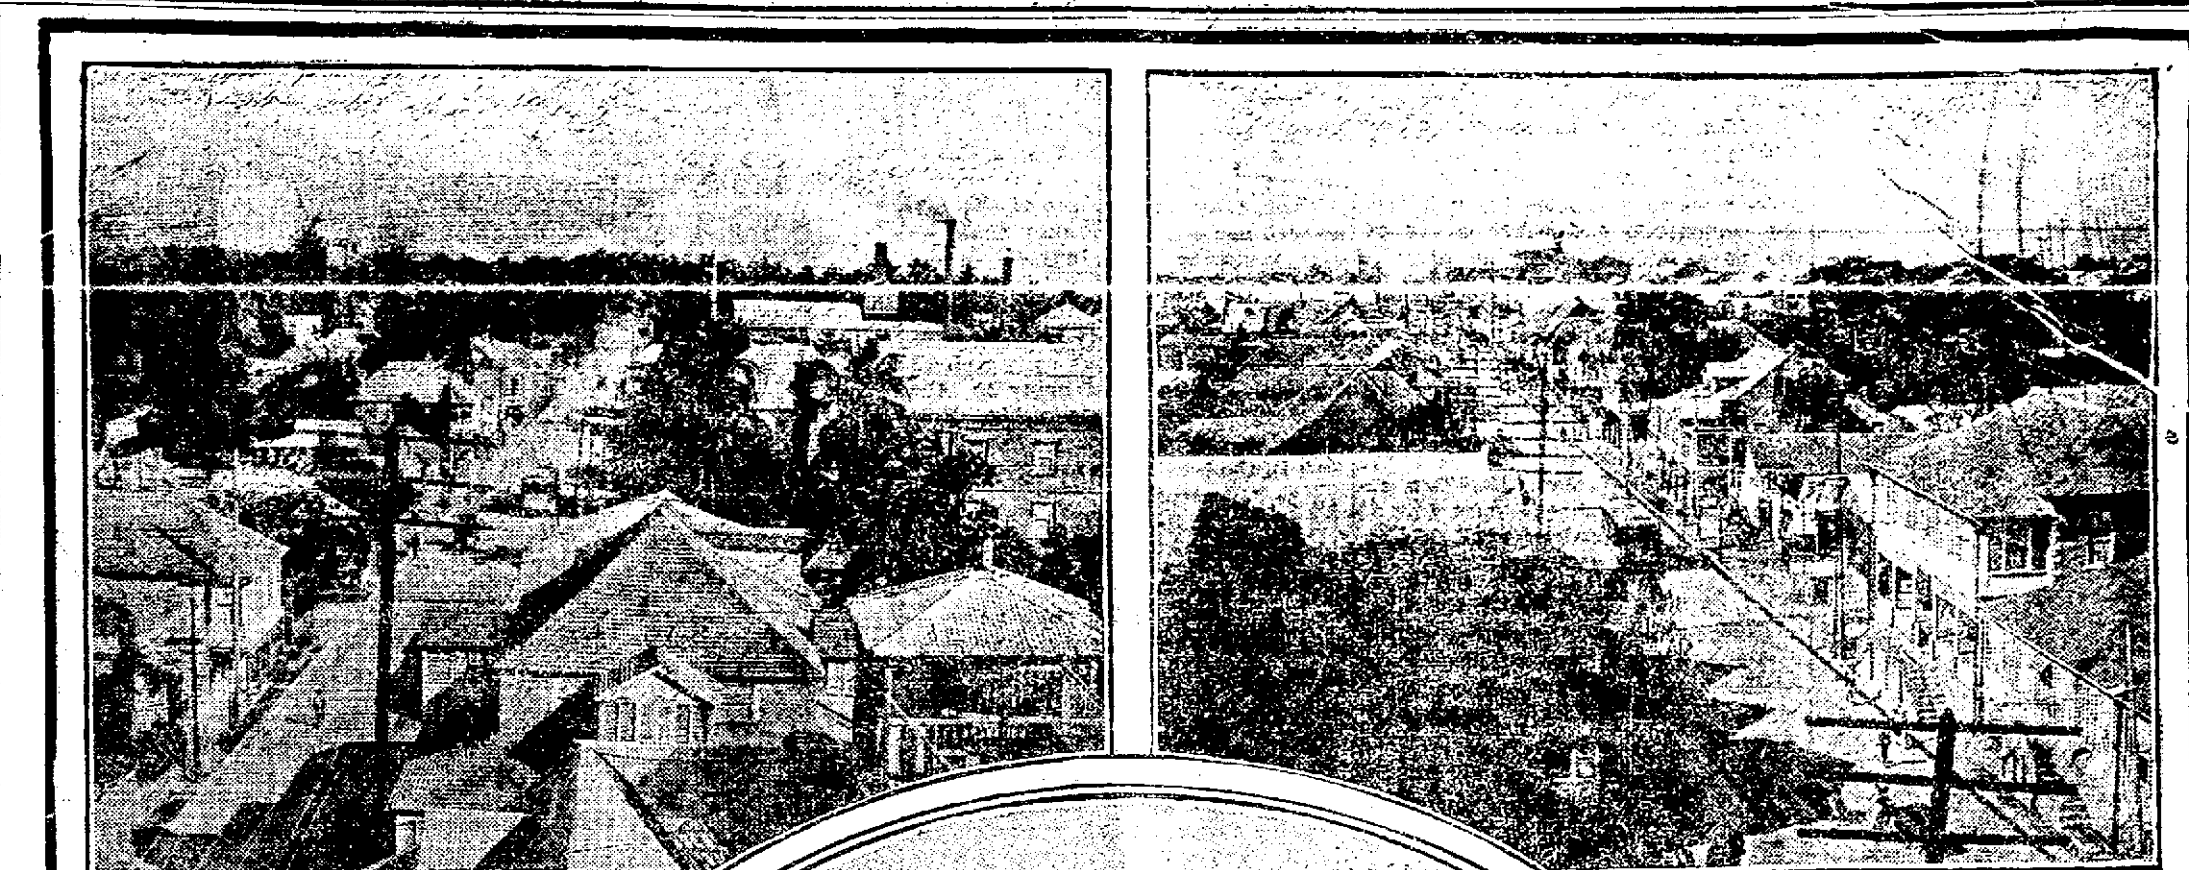

SLIPPING INTO THE SEA.

Havana, Jan. 18.—Private dispatches saying that a great section of the Kingston water front is slipping into the bay, are confirmed by wireless messages from Admiral Evans, flashed to the cruiser Columbia here. The message says a tidal wave yesterday, changed the entire coast line of Jamaica, leaving the entire south side of Kingston and the site of the old city of Port Royal under water. According to Admiral Evans' dispatch, Kingston harbor is destroyed and the coast line is sinking.

TWO MESSAGES FROM EVANS.

Washington, Jan. 18.—The navy department has received the following dispatch from Admiral Evans, at Guantanamo, Cuba, via Key West: "Bear Admiral Davis reports by wireless, relayed through the station at Colon, the Missouri and Indiana anchored off Kingston yesterday morning. Kingston almost totally destroyed. About 500 in the hospitals. There are plenty of doctors, but short on dressings and bandages. Have supplied all I could spare. The city is now quiet."

Washington, Jan. 18.—The following telegram was received at the navy department this afternoon from Admiral Evans at Guantanamo, via the Key West wireless station: "Pondiction reports at 4:20 a. m. from Kingston that the Indiana, Missouri and Whipple are the only men-of-war there. Food and tents are needed. Davis is ashore conferring with the governor. The situation is quiet. The Cuban consul was killed, and his

wife slightly injured. No other officials known to be killed."

OLD VOLCANO ACTIVE.

Holland Bay, Jan. 18.—An old volcano, seven miles from Somerset, in the Blue mountains, which lie behind Kingston, is active again this morning, according to a report from the interior. Rumbles can be heard at Somerset and smoke is said to be issuing from the crater, while by night a red glow may be seen on the clouds. The natives on the sugar plantations are in terror.

ENTIRE MARINE CORPS

Of the United States at Guantanamo, Cuba, Has Been Sent to Kingston.

Guantanamo, Cuba, Jan. 18.—The entire United States marine corps at the naval station here, and all surgeons, attendants and medical supplies from the north Atlantic fleet, have been sent to Kingston, to assist in fighting the threatened outbreak of pestilence.

HEADED BY THE KING With \$5,000 is the Mansion House Fund for Jamaica Sufferers.

London, Jan. 18.—King Edward headed the Mansion House fund, which was started Thursday for the relief of Kingston, with a subscription of \$5,000, the corporation of London immediately adding a like amount. The principal theaters are organizing special performances in behalf of the fund.

On instructions from Washington the American embassy telegraphed to King Edward and to the foreign office condolence on the Kingston disaster from President Roosevelt and the state department respectively.

Owen Cosby Phillips, M. P., the chairman of the Royal Mail Steam Packet company, after a long conference at the Colonial office regarding the immediate measures to be taken for the relief of the earthquake sufferers, cabled to the company's agency in New York as follows:

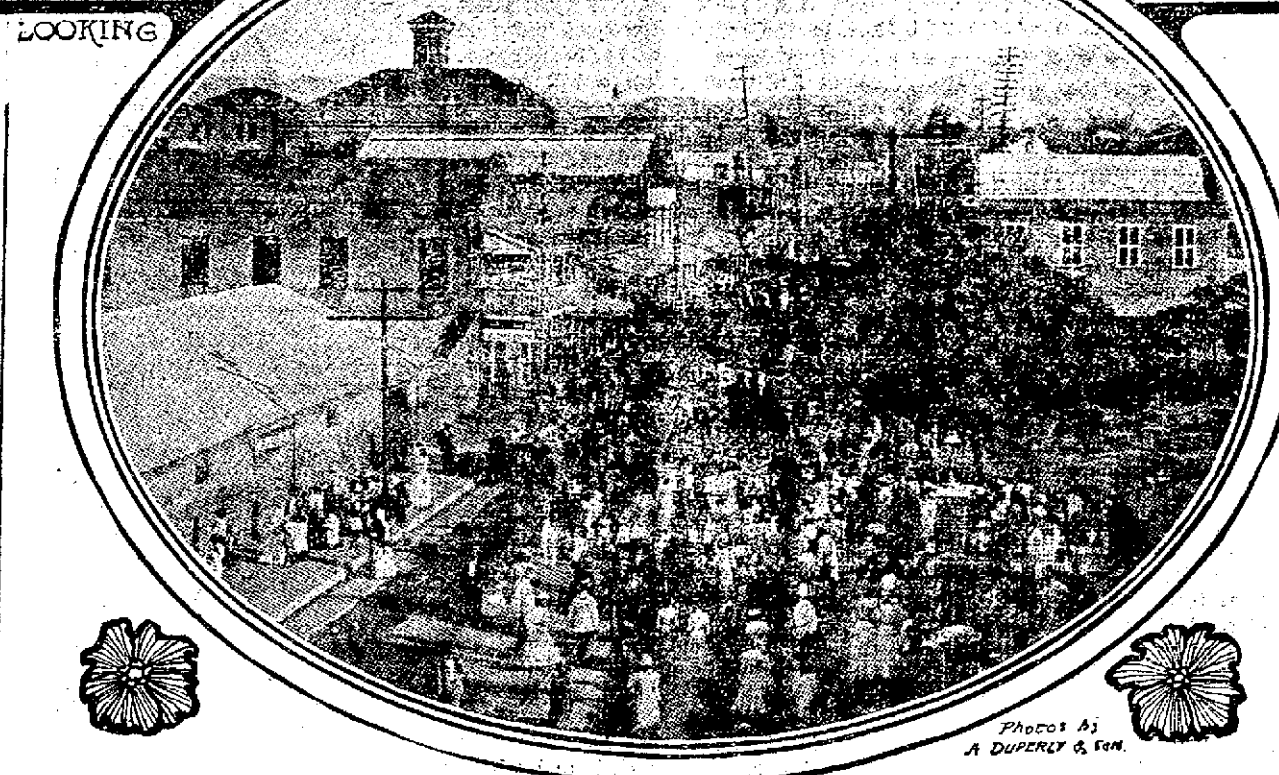

"Relief measures should be carried out only through and under the sanction of the governor of Jamaica, who is the best judge of the extent of the distress and the best measures to be taken for alleviating it, and who will in any case bear the responsibility."

It was learned last night that the queen has also contributed \$5,000 to the Lord Mayor's Kingston relief fund. The Prince and Princess of Wales have contributed \$2,500 each, and the big companies interested in the West Indies are following suit.

BILL PASSED TO AID SUFFERERS

Washington, Jan. 18.—Wireless reports which came to the navy department Thursday afternoon indicated that the devastation and desolation caused by the earthquake and fire in Jamaica were much more disastrous and extensive than all previous tidings have shown.

These messages impressed Secretary Metcalf with the urgent need of relief, and after a brief conference with the President, he communicated with Chairman Tawney, of the House committee on appropriations, asking that a bill be passed without delay authorizing the government to extend help to the sufferers. Mr. Tawney immediately drew up a bill permitting the President to use whatever naval stores he saw fit to furnish food and shelter to the stricken islanders. The bill went through just before the House adjourned Thursday afternoon. In submitting his resignation Metcalf stated that the naval supply ship Celtic was now at (Continued on Page 2, 3d col.)

YOUNG TEACHER AND HER LOVER BOTH HAD THEIR THROATS CUT

Eldorado, Kan., Jan. 18.—The dead body of Miss Mary Glass, a young schoolteacher, with her throat cut from ear to ear, was found in the school at Fairview, near here. Later Robert Hall, with his throat cut, admitted at his home at Fairview, where he is believed to be dying, that he and

Miss Glass had quarreled at the schoolhouse. He declared that she attacked him and cut his throat. When asked who cut Miss Glass's throat Hall refused to reply. Hall was barely able to speak because of the loss of blood. At the schoolhouse there were evidences of a struggle.

PRESIDENT URGES MONSTER WARSHIPS IN LETTER TO CHAIRMAN FOSS

Washington, Jan. 18.—President Roosevelt has written a letter to Chairman Foss of the naval affairs committee urging that an appropriation should be made at once for two first-class battleships of the maximum size and speed and with primary bat-

teries all of 12-inch guns. The letter states that in addition to the battleship provided for last year of Dreadnaught class, another should be provided for this year without fail. The president also urges the building of torpedo-boat destroyers.

EXPULSED SENATOR WHO ADMITTED TAKING A BRIBE

Little Rock, Ark., Jan. 18.—Senator Reuben R. Adams of Grant county was expelled from the senate and in his stead William Lambert of Hot Springs county was appointed by the governor. The senate appointed a committee to investigate the right of the governor to make the appointment. In the meanwhile Lambert will be recognized as a senator. During the trial of Senator Fessenden O. Dutt, who was convicted of bribery, Adams admitted accepting a bribe.

Shot Wife and Daughter.

Boston, Jan. 18.—Lewis Pennis, 38, shot his wife and 3-year-old daughter at their home, and then made an effort to commit suicide. Pennis and his wife probably will die. The child was not seriously wounded. Pennis and his wife had a quarrel and the shooting resulted.

SCHOOLBOY KILLS RUSSIAN OFFICER

Smolensk, Russia, Jan. 18.—V. Krollan, chief of the rural administration, was shot and killed by a school boy named Borisekoff, as the chief was leaving a concert hall. The boy was immediately shot and killed by an officer in attendance upon Krollan.

SUPPOSED SUICIDE ALIVE AND WELL IN NEW YORK CITY

New York, Jan. 18.—Gustav A. Meyers, a business man, formerly of Galveston, Tex., who disappeared in this city about Christmas, leaving a note to his wife saying that he was going to commit suicide, is alive. Meyers was supposed to have drowned himself after suffering losses in the stock market. Mrs. Meyers appealed to the public for help. She was ill, and she was sent to a hospital. Within the last few days Mr. Meyers has called at the hospital and talked with his wife, and also has called on a woman who aided her.

MANDAMUS TO COMPEL ADMISSION OF JAPANESE INTO THE SCHOOLS

San Francisco, Jan. 18.—United States District Attorney Berlin applied to the supreme court for a writ of mandamus, compelling the board of education to admit Keikichi Aoi, a 10-year-old Japanese boy, to the Redding primary school. He also contended suit in the United States court for the same purpose.

Three Japanese employed as servants by officers at Fort Clark, Tex., mysteriously disappeared. Believed to be spies.

EATING HUMAN FLESH

Victoria, B. C., Jan. 18.—Further advices from Shanghai tell of the increasing horror of the great famine in Central China. The correspondent of The Echo de Chine says that in the districts of Szechow and Pichow, starving people are eating children. Plants and grass, which furnished food for many, have disappeared and there are not even roots to eat. A correspondent of a Shanghai paper says that in the absence of ordinary food, he found that human flesh was actually being eaten.

Second Lava Flow.

Honolulu, Jan. 18.—The second lava flow from the volcano of Mauna Loa, on the island of Hawaii, is now only two miles from the sea, and is a half-mile wide. It is moving at the rate of 10 feet an hour.

SENATOR BAILEY IN FIERY SPEECH

Denies Authenticity of Documents
Committing Him in Any Way
With Oil Co.

Austin, Tex., Jan. 18.—Senator Bailey appeared before the house and in a passionate speech denied in toto the authenticity or the reliability of the documents in the possession of Attorney General Davidson, committing him in any manner with the Waters-Pierce Oil company. Following his speech the members proceeded to a further discussion of the Bailey investigation resolution.

FIVE THOUSAND MORE TROOPS WILL GO TO CUBA

Government Determined to be Prepared for Possible Trouble in the Island.

Newport News, Va., Jan. 18.—Preparations are being made here for sending 5,000 soldiers which, it is said, Japan would be authorized to send to Cuba through this port during the next month or six weeks. The government is building additional barracks, hospitals, and camp accessories are being sent by the quartermaster's department, and it is said that the troops are expected to arrive early in February.

According to the information at hand the war department intended

reinforcing the army now in Cuba late in the spring in preparation for the election to be held on the island during the coming summer. Fearing serious disturbances during the campaign, which will begin in a couple of months, the department has decided to be on the safe side and strengthen its force in Cuba without delay.

As there is plenty of time, it is understood that no extra transports will be chartered for carrying the troops. The Kilpatrick, Sumner, Meade and Ingalls already are stationed at this port, the Kilpatrick and Sumner plying regularly between here and Havana, and these vessels probably will carry all of the soldiers. All four can take about 2,500 men on one trip.

STEAD FAILED TO SEE POPE PIUS

Rome, Jan. 18.—W. T. Stead, the English editor, left here for Vienna. He saw neither the pope nor the papal secretary of state during his stay. The secretary received a note from Mr. Stead containing a statement for the pontiff setting forth the influence the head of the church might exercise in favor of peace. The secretary did not answer this note in writing, but he sent Mr. Stead a word of communication that this suggestion would be considered.

JOHNSON FILES A DEMURRER TO INDICTMENT

Columbus, Jan. 18.—John W. Johnson, state supervisor of public printing, indicted for attempting to influence the circuit court to decide in his favor in the ouster suit filed by Mark Slater, former state printer, by writing the "E. L. Ryan" letters this morning in criminal court filed a demurrer to the indictment alleging four technical grounds. Arguments on the demurrer will probably be made Saturday.

JOHN R. WALSH INDICTED TODAY

Washington, Jan. 18.—The federal grand jury today returned an indictment against John R. Walsh, former president of the defunct Chicago National bank, charging him with fraudulently applying huge sums, aggregating over \$2,000,000, and to discounting fictitious and unsecured paper. The indictment contains 162 counts.

Jerome to Clergymen.

New York, Jan. 13.—District Attorney Jerome told a committee of prominent clergymen at the Bible house that the best way for them to assist him in his effort to break up gambling and racing in this state was to get the assistance and backing of 1,500 churches to appoint representatives to take the fight to Albany. Mr. Jerome's talk was in response to an invitation from the national federation.

Hanged For Murder.

Washington, Pa., Jan. 18.—Elmer Dempster, 19, a negro, who was convicted of killing Mrs. James Pearce and her three children on July 29 last, at Canonsburg, Pa., was hanged here. According to Dempster his only motive for the murder was robbery.

Mrs. Dora McCreary, 16, a bride of four months, committed suicide at Hartsburg, Miss., by shooting herself through the temple as she lay beside her sleeping husband. No cause is known.

FLOOD IS NOW RAGING

Throughout the Entire
Ohio River Valley

Great Suffering Among the
Thousands in Cincinnati
Who are Homeless

THE RIVER IS HIGHER THAN AT
ANY TIME SINCE HISTORIC
1884 FLOOD.

COAL FAMINE THREATENED

Shawneetown Appealed to Governor
for Help—Woman Drowned at
Gallipolis.

Cincinnati, Jan. 18.—Heavy rains began falling this morning which increased the apprehension of a great flood at Cincinnati. Every indication is that the river stage will go beyond 60 feet. It is now estimated that 10,000 people have been forced to move from their homes. In many places furniture is packed in the streets with no protection from the heavy rain. The streets of Fulton, Pendleton and Tusculum, in the east end are under water. In the west end of the city several thousand people have vacated their homes. There is danger of a coal famine. All the coal companies on the river have water in the yards. Street car traffic was broken in many places this morning, necessitating the transfer of passengers. The high water has endangered the Mill creek valley bridge at Chathage, and it is feared it will be carried away.

Reports from throughout the Ohio valley tell of great damage by water. At Pomeroy the business houses on Front street are under water and all railroad communication with the city is cut off. The entrances to coal mines on the lower levels, is securely sealed to prevent flooding the lower part.

Ironston is flooded and people have fled to high lands.

At Middletown merchants and residents on the river front have been driven from the first floors of their buildings.

One half of the town of Point Pleasant, W. Va., is submerged, and there is much suffering.

At Madison, Ind., the Pennsylvania tracks are flooded and the freight depot inundated. The water continues to rise at all up river points.

FIRST FLOOD FATALITY.

Gallipolis, Jan. 18.—The first flood fatality in this section occurred at Point Pleasant today. Miss Mary Petty fell from her house into the river and was drowned.

APPEALED TO GOVERNOR.

Springfield, Jan. 18.—Shawneetown this morning appealed to the governor for help on account of the floods. The matter has been referred to the adjutant general. One hundred tents were sent there at once.

CONDITIONS IN INDIANA.

Princeton, Ind., Jan. 18.—The White, Patoka and Wabash rivers still continue to rise. To the west of this city there is a stretch of flooded land for a distance of 25 miles north of Vincennes. In this stretch the property loss is estimated at \$100,000. One thousand people are homeless and most of the stock is on the range of hills, with but little to live upon.

TRAVELING IS UNSAFE.

Los Angeles, Cal., Jan. 18.—Owing to the heavy rains which has made traveling unsafe, not a single train left this city last night for the north or east and only one arrived. General washouts have occurred and in many places the tracks are submerged.

Worst Flood Since '84.

Cincinnati, O., Jan. 18.—All indications point to a river stage of at least 65 feet at this point, making this the greatest flood since 1884. The city authorities began to call for those who have been made homeless or are otherwise suffering. Mayor (Continued on Page 2, 4th Col.)

GOWN OF SILVER GRAY CREPE

A graceful frock is shown in the accompanying drawing, the model being practically for almost any soft, clinging material. Pale gray silk crepe was used for the original gown, the trimming consisting of half-inch wide velvet ribbon exactly matching the shade of the gown. The skirt had three attached tucked flounces, each edged with a band of the ribbon which also formed a lattice-work design above those flounces. The bodice had a rounded yoke of Chantilly lace, and was trimmed by bands of the ribbon and narrow pinch tucks, as shown by a study of the drawing. Three little bows of the velvet slipped through cut-stud buckles were used in the middle of the front, just below the yoke, on each sleeve and down the middle in the back.

CROTON NEWS

Farmers' Institute Will be Held February 4 and 5—John DeWitt's Funeral—Personals.

Croton, O., Jan. 18.—The Hartford-Bell Telephone company met Tuesday afternoon but as a number of the stockholders were unavoidably absent the meeting was postponed until a week from Saturday. A few of those who had phones taken out have ordered them in again.

Mr. and Mrs. William DeWitt attended the funeral of Mr. John DeWitt, which was held at his home at Vans Valley Monday. The deceased was 89 years, 8 months and 6 days of age. His son, Rev. Charles DeWitt, preached the funeral, his remains being placed in the vault at Sunbury.

Farmers Institute will be held here February 4 and 5 Monday and Tuesday. Two state speakers will be present, Baldwin and Houdeshult. The music will be furnished by the Scillian Ladies Quartet of Columbus. The institute is a great benefit to the farmer and you will profit by attending.

L. D. Cumpston has purchased a lot of D. L. Perry on Cross street and will erect a dwelling at once. The lot is the south part of the property which Mr. Perry lately purchased of Mrs. Shafer. D. L. is residing in his residence and we wonder why?

Revival services are being held at the M. E. church this week, which promises to do much good. You are invited to attend every service.

Mrs. Nora Miller leaves this week for Danville, Ill., where she will make an extended visit with her niece, She

will first visit relatives in Marion, Ind. Miss Maude Perfect has accepted a position as teacher in the Utica public school. Frank Perfect is also spending a few days there.

Impure blood runs you down—makes you an easy victim for organic diseases. Burdock Blood Bitters purifies the blood—cures the cause—builds you up.

Ultramontaines Victorious. Paris, Jan. 18.—It is now possible to announce definitely that the ultramontaines were victorious at the sessions of the French Episcopate on their determination to hold in suspense the main question of how worship shall be continued, a decision being arrived at not to form cultural associations under the law of 1901, and to at the same time ask for precise instructions from Rome. In the meantime the status quo will be maintained.

Firms Heavily Fined. New York, Jan. 18.—The MacAndrews & Forbes company of this city and the J. S. Young company of Baltimore, which were convicted recently in the United States circuit court here of unlawfully combining to monopolize the licorice paste industry, were fined a total of \$18,000 by Judge Hough. The MacAndrews & Forbes company was fined \$5,000 on each of the two counts upon which it was convicted, and the J. S. Young company \$4,000 on each of two counts.

FATALITY AT FOSTORIA. Fostoria, O., Jan. 18.—Three dead and one apparently dying of asphyxiation, representing three generations was the horrible discovery made by Algonzo Shuman Thursday when he went to inquire after his sister-in-law Mrs. John Kieals. The dead are Clement Lehy, aged 55; his son-in-law, John Kieals, aged 26, and the latter's son, Leo, aged 17 months.

KINGSTON

(Continued from Page 1.) Guantánamo, the American naval station in Cuba, and that she could sail in a short time with a large cargo of supplies. The bill is as follows: "That the President of the United States is authorized to use and distribute among the sufferers and destitute people of the island such provisions, clothing, medicines and other necessary articles belonging to the sustenance and other stores of the naval establishment as may be necessary for the purpose of securing the people who are in peril and threatened with starvation on the said island in consequence of the recent earthquake and following conflagration."

IN RUSSIA TOO. St. Petersburg, Jan. 18.—Two severe earthquake shocks were felt at 7 o'clock this morning at Kuba in the government of Baku.

SCOTLAND SHAKEN. Glasgow, Jan. 18.—Two slight earthquake shocks were felt at Oban, Scotland, yesterday. No damage ensued. The inhabitants are greatly alarmed.

KINGSTON SINKING. St. Augustine, Fla., Jan. 18.—Wireless messages received at the station on Anastasia island by Chief Electrician Elkins say that Kingston is sinking gradually; that many holes and cracks 100 feet deep were formed by the earthquake, and that grave fears are felt that the entire city will slip into the bay.

London, Jan. 18.—Sir Alex Swettenham, governor of Jamaica, wires the colonial office as follows:

"Continuing my previous telegram on the subject of the earthquake. The evil effects have been confined almost to three parishes of the island, namely, Kingston, Port Royal and St. Andrew. The fire at Kingston has practically ceased, only coal and rubbish are now burning. The district burned comprises a triangular area between the parade gardens, the sea, Duke street and Princess street. The parish church forms the apex of this triangle, which comprises about one-thirtieth part of the town. The burned area is being cleared slowly owing to the indisposition of the population to labor at double the usual wages. There are a few bodies still covered with ruins. The burials comprise 343. The persons admitted to hospital in Kingston total 440, excluding some 60 cases sent to Spanish town from Kingston for treatment.

"The population is generally encamped on the parade grounds, the race course and the open spaces. It is reluctant to return to its ruined houses during the fine weather. The usual provision shops are in the burned area, and there is consequently difficulty in buying provisions. I am arranging for sales temporarily and for the transfer of persons to other parishes. There was some pilfering at night from deserted shops. The population is wonderfully patient, but listless."

The earthquake came as a sudden oscillation, not from any particular direction, but up and down. Thousands of persons were on the streets of Kingston at the time, and great numbers of them were crushed. Many Americans in Kingston were killed and have been buried.

Port Antonio, on the north of the island, suffered little damage. The Hotel Titchfield, with 100 American guests, was not destroyed. A tidal wave has inundated Anotta bay, washing out many houses. The shock was severe at Richmond, and this town also was destroyed by fire. Spanish town also was damaged. One man was killed and 10 injured there.

The number of dead is placed variously at from 500 to 1,200, and the number of injured runs into the thousands. Ten thousand people are said to be homeless. The danger of famine has increased, and with it stalks the specter of pestilence. There is urgent need of supplies of all kinds.

Supplies For Sufferers. New York, Jan. 18.—The first cargo of supplies to be sent from New York in aid of the stricken people of Jamaica will be shipped today on the Hamburg-American steamer Allegheny. President Cleveland Dodge of the New York state branch of the National Red Cross was authorized by the national organization to expend \$5,000 in the purchase of supplies, and arrangements were completed for the transportation of a portion of this.

Thousands Killed. Kingston, Jan. 18.—The disaster here is as great as the calamities of San Francisco and Valparaiso. Thousands of persons have been killed and the dead bodies are being taken from the debris by hundreds. The whole town is in ruins.

STRANGE FREAKS OF THE EARTHQUAKE. "Many curious circumstances might be reported. One of the strangest freaks of the earthquake was played with the statue of Queen Victoria, which stands in the center of the town. The shock turned the statue completely around, but otherwise it is intact.

The area razed by the fire is bounded roughly by Fleet street on the east, West street and the Custom House on the west, and from the water front on the south to the race

course on the north. The whole water front from the Royal Mail wharf to the railway wharves at the west end of the harbor, have been burned over.

"The majority of the ladies of Sir Alfred Jones' party were in the Constantine Spring Hotel, in St. Andrew which is five miles from Kingston, when the shock came. The central tower of the hotel was cracked and threatened to topple over. There was no panic, the guests eating their dinner with the greatest equanimity. Nobody was injured.

"When the seriousness of the disaster became apparent they could be seen removing their luggage to the lower part of the hotel where the party encamped until the danger of further shocks appeared to be over. Later Sir Ralph Moor conveyed all who were desirous of going to the city and aboard the steamship Port Kingston. But many preferred to wait in the hotel until next morning."

FLOOD

(Continued from Page 1.) Dempsey and Chief of Police Millikin inspected all flooded sections of the city, and the mayor will at once draw on the \$10,000 emergency fund for the relief of sufferers by flood. All school buildings and churches in the east end have been opened as temporary homes for those whose own homes have been invaded by the river. The streetcar lines in both the east and west sides and in the suburbs on both sides of the river have been badly crippled. About 2,000 people on a hill known as Turkey Ridge, in the east end, have been isolated by the flood, which cut them off from the mainland. Many of them were forcibly removed by the police to places of greater safety. In Newport, Ky., the flood area covers about eight blocks, and 300 families have been compelled to vacate their homes. Much damage is being done in Covington to residences and business houses along the river front. Traffic generally in the river district on both sides of the river has been suspended.

The railroads are great sufferers. In the Mill Creek valley the market gardeners lose heavily, and traction and railroad lines in all directions outside of the city, especially along the river, have suffered.

Situation in West Virginia. Pittsburg, Jan. 18.—Dispatches received from West Virginia report that the Ohio river is rising rapidly. At New Martinsville the West Virginia Short-line railroad is tied up by high water and landslides. At Clarksburg the West Fork river has reached the danger mark, and no trains can be operated on the West Virginia and Pittsburg branch of the Baltimore & Ohio railroad. The Monongahela river has reached a 30-foot stage at Fairmont, Va., and is rising a foot an hour. The lowlands are inundated. The Ohio river at Huntington, W. Va., is 52 feet 4 inches high and rising. Parkersburg is being flooded by the Ohio and Little Kanawha rivers.

Gas Cut Off. Portsmouth, O., Jan. 18.—A break in the mains which carry natural gas from West Virginia to this city suddenly threw Portsmouth into almost total darkness last night and added terror to the flood situation. The break occurred in the river crossing at Hanging Rock. The city power plant was cut off. The accident has resulted in general discomfort and in greatly interfering with the moving of the people from the flooded districts. Streetcar traffic was suspended for an hour. Some city schools have been placed at the disposal of families driven from their homes.

Great Floods at Evansville. Evansville, Ind., Jan. 18.—The Ohio river continues to rise here. The Wash and White rivers are also rising at a rapid rate, and no letup is in sight. White river spread out over a stretch of over 10 miles of country in Knox and Gibson counties. It is now predicted that the Ohio river here will go at least to the 45-foot mark, and perhaps higher. This will be 2.52 feet under the stage reached during the great flood of 1894. Stories of great destitution are coming in almost every hour, and boats will be secured and sent out through the flooded districts and the refugees will be brought in.

Freight For Cincinnati. Baltimore, Jan. 18.—Owing to the high water in the rivers at and around Cincinnati, the Baltimore & Ohio Southwestern railroad issued notices that, until further notice, freight will not be received for via Cincinnati or the Cincinnati district.

Mother and Child Drown. Pittsburg Jan. 18.—Mrs. Jacob Blakey and her son Samuel, 2, were drowned, and her husband an another son narrowly escaped, while attempting to ford East Pike run, in Washington county.

NEW P. M. AT CROTON. Croton, O., Jan. 18.—The postoffice at this place which has been in the charge of T. J. Stadden for the past eight years was last night turned over to Charles W. Stoughton. The latter's brother, George Stoughton, postmaster at Westerville, came to Croton, and is assisting his brother to master the details of the business.

Rupture and Varicocele permanently cured without the use of the knife, truss or suspension. Be sure and consult us before taking treatment elsewhere. Kidney and Bladder Diseases Bright's Disease, Diabetes, Enlarged Prostate, Frequent and Irritating Urination. It costs no more to employ an expert than to risk your life with an inexperienced physician. Stricture and all forms of disease of the urethra and prostate gland cured by our Medicated Bougie, a method of treatment without pain or detention from business. Syphilis or Blood Poison cured without use of injurious drugs where others fail. Not necessary to attend expensive Sanitariums, Hospitals, or Health Resorts; our medicines and treatment can be taken and applied at home. Each person applying for Medical Treatment to our visiting physician or at the home office should bring from two to four ounces of urine, which will receive careful chemical and microscopic examination. Consultation and Examination free and strictly confidential. No names published without written consent.

I would rather effect a cure of a difficult case than receive a big sum of money. I believe in "CURING TO STAY CURED."

Nothing is paid by you if nothing is done for you. RESULTS COUNT, NOTHING ELSE. You get satisfaction, you get cured or you get OUT NO MORE.

Perfect Womanhood

The greatest menace to woman's permanent happiness in life is the suffering that comes from some derangement of the feminine organs. Many thousands of women have realized this too late to save their health, barely in time to save their lives.

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study. If a woman finds that her energies are flagging, that she gets tired, dark shadows appear under her eyes, she has headache, nervousness, irregularities or the "blues," she should start at once to build up her system by a tonic with specific powers, such as

Lydia E. Pinkham's Vegetable Compound

the great woman's remedy for woman's ills, made only of roots and herbs. It cures Female Complaints, such as Dragging Sensations, Weak Back, Falling and Displacements, Inflammation and Ulceration, and all Organic Diseases, and is invaluable in the Change of Life. It dissolves and Expels Tumors at an early stage. Subdues Faintness, Nervous Prostration, Exhaustion, and strengthens and tones the Stomach. Cures Headache, General Debility, Indigestion, and incorporates the whole female system. It is an excellent remedy for derangements of the Kidneys in either sex.

RECEPTION TO REV. L. S. BOYCE

AND FAMILY TO BID THEM FAREWELL BEFORE LEAVING FOR FINDLAY.

The Retiring Pastor Was Presented With a \$50 Bill and His Wife Handsomely Remembered.

The farewell reception given by the members and congregation of the First Presbyterian church of this city to Rev. L. S. Boyce, wife and family, on Thursday evening was a most delightful and successful affair in every particular.

The first part of the exercises were held in the auditorium of the church which was filled to its utmost capacity, including the gallery, at an early hour.

About 8 o'clock Judge Charles Kibler, who presided as chairman of the meeting, called the audience to order and a fine organ solo was rendered by Mrs. Appy, followed by a vocal solo by Miss Wall. The prayer was offered by Rev. Mr. Warner, pastor of the Welsh Congregational church. Judge Kibler then made a few felicitous remarks, stating the business of the evening, to give Rev. Mr. Boyce and family a hearty expression of good will, and while expressing regret at his departure, a good send off to his new location at Findlay, O.

Judge Kibler then introduced in turn Rev. H. Newton Miller, pastor of the Central Church of Christ; Rev. T. A. Cosgrove, pastor of the Second Presbyterian church; Rev. T. M. Kiernan, pastor of Plymouth Congregational church; Rev. Joseph Bennett, pastor of the Fifth street Baptist church; Rev. Lewis P. Franklin, rector of Trinity Episcopal church, and Rev. Thomas Warner, pastor of the Welsh Congregational church, and Judge E. M. P. Brister, who made brief and happy addresses appropriate to the occasion. All of the gentlemen emphasized very highly their regard for Mr. Boyce and his family and the good work he has done, and the influence for good he has exerted in the city, and wishing him all possible success and prosperity in his new field of labor.

At the conclusion of these remarks Judge Kibler called Rev. Mr. Boyce before him and in a very happy and appropriate manner presented him with a handsome purse of money, the gift of members of the church and congregation.

Judge Kibler said during his remarks that "the members of the Findlay church knew a good thing when they saw it," but that something had to be done by the old church here if Findlay didn't stop taking away their pastors.

Rev. Mr. Boyce very feelingly responded to Judge Kibler's remarks, his emotion struggling with his self-control and expressed for himself and family his high appreciation of the treatment he had uniformly received from the church and from the citizens of Newark.

Mrs. Boyce was then asked to come forward, and in a beautiful little speech, happily worded, Mrs. Gay Williams presented her with a pair of handsome silver candlesticks, the gift of her numerous friends. Mrs. Boyce feelingly responded.

The company then adjourned to the church parlors where Mr. Boyce and family, including Mrs. Boyce's mother, Mrs. Busby, stood in the receiving line with Deacon and Mrs. Henry Cordray, Deacon and Mrs. Charles O'Hannon and Deacon and Mrs. Lawrence Ball, and for some time received the congratulations and God speed of all their friends. Delicious light refreshments were served and the remainder of the evening was spent in delightful social converse, the only cloud that marred the festivities being the departure of Mr. Boyce and family. Mr. Boyce goes to Findlay, where he will fill the pulpit of the church there on Sunday, after which he will return to Newark and remove his family there next week.

FRANK DOWNEY DIED AGED 78

EX-COUNCILMAN, WELL KNOWN CITIZEN SUCCEUMS AFTER YEARS' ILLNESS.

Private Funeral Will be Held at Late Home at 2 O'Clock Saturday Afternoon.

Mr. Frank Downey, one of Newark's oldest, best known and most highly respected citizens, died at his residence, 25 1-2 North Third street, on Thursday night at 10 o'clock after an illness of about one year with a complication of diseases. The deceased was aged about 78 years, and for many years was one of Newark's most prominent business men, conducting a merchant tailoring establishment. At one time he was associated in business with Mr. Dan Ambach, now of Columbus. For six years he represented most faithfully the old Fourth ward in the City Council, when to be a councilman meant something, and when the Council accomplished things.

During his service as Councilman he served on a number of important committees, chief of which was the street committee, and was also president of the Council.

He is survived by his widow, two sons, William of Columbus, and Frank, of this city, and also by one daughter, Miss Minnie Downey, who lives at home.

The funeral services will be held at the home on Saturday afternoon at 2 o'clock and will be private. Mr. Downey was a member of the old Swedeborgian church and the service of that church will be read by Mr. William Cunningham.

MRS. ROSE VOLKERT.
A message was received in the city Friday, notifying relatives here of the death of Mrs. Rose Volkert, wife of Theodore Volkert, of Indianapolis, Ind., whose death occurred early Friday morning after a brief illness. Mrs. Volkert was formerly of this city, being a daughter of John G. Galt. She was aged about 51 years.

She is survived by her husband and three children, aged 2, 6 and 7 years. Mrs. Wm. Smith of Columbus, years. Mr. Charles Hoffert an uncle and Mrs. William Smith of Columbus street is an aunt. Mrs. James McGonagay and Mrs. Chas. Hoffert are cousins. In all probability Mr. McGonagay and Mrs. Hoffert will go to Indianapolis to attend the funeral, which will be held Monday morning.

MR. REMINGTON'S FUNERAL.
The body of the late Charles W. Remington, whose death occurred last Saturday at Ashville, N. C., arrived in the city Thursday night and

the funeral services will be held at his late home, 219 West Church street, Saturday morning at ten o'clock, Rev. L. C. Sparks officiating. The body will be interred in Cedar Hill cemetery.

Long & McCammet, undertakers, phone 459.

DR. L. L. MARRIOTT

Returns From Visit to Virginia and Presented Editor of Advocate With Historic Case.

Dr. L. L. Marriott, Licking county's most efficient citizen, who was called to New Market, Va., on account of the serious illness of his brother-in-law, Luther Madden, returned home Friday. While in Virginia he visited the famous old battle fields and cut a fine history stick from near where General Sheridan made his headquarters at Winchester on the pike, the scene of his famous ride. The doctor presented the case to the editor of the Advocate, who is greatly appreciative of it because it is history and for the historical association with which it is connected.

Not Enthusiastic.
"Some day we shall be conversing with the inhabitants of Mars," "I hope not," answered the weary landman. "The telephone tolls for conversation within the narrow limits of this earth are big enough to make one shudder at the thought."—Washington Star.

Rear Admiral Sessoe, former commander of the Maine, transferred to retired list on account of age.

George T. Weidman, said to have been an American, was found in the snow at Mount Aguille, near Castillon France.

Democratic Fire Marshal's Good Work.

The annual work of the state fire marshal submitted to the governor is a document worthy of attention, because it shows how the business of the office has been conducted.

Last year there were 32 convictions for arson in 18 counties of the state, and the expenses of the office were greatly below the expenses the previous year, the difference in favor of the present administration being \$16,091. The receipts of the office last year were \$60,475 and expenses \$22,290. The balance at the close of last year was over \$8,000 greater than at the close of the preceding year.

Under the Republican fire marshal who preceded Fire Marshal D. S. Cramer the conduct of the office was such that there was a threat upon the part of the insurance companies taxed to keep up the office that they would fight against further taxation on the ground that the office as conducted was little better than useless, much time being given to the work of looking after the interests of the Republican organization in Cuyahoga county. Under the present administration there has been no such political work to interfere with the efficiency of the office, and the showing made is most favorable when compared with the report for the last year of the office under an organization Republican marshal.

The Supreme court this week affirmed the decision of Hamilton county courts in the case of a man sent up to serve a year for repeating at the election in Cincinnati in 1905. The man was a beeler for the Republican machine and voted in two precincts of the Fifth ward. By the decision of the highest court in the state he will have to serve out the remainder of his term in the pen which will expire in March. So one member of the Cincinnati gang must take what is coming to him, and the pity is that a number of other offenders higher up in the political machine of that city have not been landed in Columbus.

Sheep-Killing Dogs.

(Zanesville Signal.)
Licking county farmers formed a posse a few days ago and engaged in a fruitless chase of sheep-killing dogs. This species of canine is the bane of farm life. This recalls a recent statement of Dr. R. D. Pierce of Pittsfield, Mass., inspector of the state cattle bureau, who said: "If there wasn't a dog in Berkshire county there would be at least one million sheep on the hill farms." That is true of Ohio and other states as well as of Massachusetts.

If it were possible to sufficiently restrain the dogs there is no doubt that

the hill farms of all the sheep-raising states could be made profitable by the increase of sheep. There is a Spanish proverb that sheep are shod with gold, the meaning thereof being that they are of great benefit to the land. But the menace of dogs is so general and serious as to prevent the increase of sheep.

Many fine flocks have been practically annihilated by dogs. The dogs which get into the way of chasing sheep are a menace to the farmer and to that line of business there is no standing against them.

The only remedy is to kill the guilty dogs. This is slow and expensive for it often takes time and loss of it to fix the guilt, and until absolute proof is furnished the owner of the dog will stand loyal to his canine companion.

TWO UTICA BANKS ELECTED OFFICERS

AND DIRECTORS AT THE ANNUAL MEETING HELD THIS WEEK AT UTICA.

Operations in New Factory Have Been Begun All Places Being Filled With Picked Men.

Utica, O., Jan. 18.—The annual meeting of the Utica Savings Bank company held this week, at which the old board of directors was elected excepting with one change. Levi Knowlton is the new face in the board which consists of D. P. Campbell, Levi Knowlton, W. A. Hervey, A. J. Solomon, D. W. Wallace, F. P. Gourley, and G. W. Sperry. The directors chose the following officers: President, D. P. Campbell, vice president, D. W. Wallace. The board retained Charles F. Gay as cashier. There are sixty stockholders of this bank.

At the annual meeting of the stockholders of the First National bank the following officers were elected for the ensuing year: President, A. J. Wilson; vice president, E. C. Wright; cashier, C. B. Clark; assistant cashier, E. L. Mantonya. All the stock is held by the foregoing and Mrs. Mary E. Wilson, wife of the president.

The Licking Glass company began operations in the new factory last Saturday morning, practically all the places being filled with picked men. The quality of the glass at the start was good, though the impurities in the cullet made some showing. The company's two gas wells furnish most of the fuel, the deficiency being covered from the Kirkpatrick well. If any other shortage occurs, a connection is ready for the turning in of gas from the Central Ohio lines; but as the Central Ohio price is nine cents per thousand it will be used only under necessity.

The Advocate Book Bindery will supply you with blank books for 1907.

"ELEPHANT" KELLY GOT FIRST RIDE IN PATROL WAGON

Officer Callan Called Wagon Early Friday Morning to Take Him Down to Prison.

The honor, if honor it can be called, of taking the first official ride in the new patrol wagon, fell to John Kelley, who is known all over the city as "Elephant" Kelley, his occupation being that of an elephant trainer.

Kelley was found drunk early on Friday morning near Filker's saloon, at the corner of First and Railroad streets. A call was sent for the wagon and Kelley was carted to the police station.

When he was brought before the mayor Friday morning, Kelley was feeling rather chipper over his alleged honor and was inclined to get smart with the court. He came to grief, however, when he was soaked and sent to the county jail. The wagon was called again and Kelley got a ride to the Redman Hotel on the canal banks.

Officer Callan made the arrest and was the first to send a call for the wagon. Chief Sheridan issued orders to call last night instructing the officers to call the wagon when the occasion required. From now on the wagon will be used regularly.

Kelley is entitled to several prizes including \$1 in trade at the City Hall barber shop, and from his appearance he can easily use up the entire dollar at one visit.

SAW BALLS OF FIRE.
Tiffin, O., Jan. 18.—Many residents of Tiffin awakened early Thursday morning by strange lights. Four enormous balls illuminated the western sky for nearly two hours making it as light as day. One of the balls appeared to be larger than an ordinary house.

SANDLES ELECTED MEMBER OF BOARD AFTER A CONTEST

STATE AGRICULTURAL BOARD ELECTED L. P. BAILY AS PRESIDENT.

Brakeman Crushed in Collision—Father and Daughter Killed—Prisoners Released.

Columbus, O., Jan. 18.—There was a spirited contest over the election of members of the state board of agriculture. A. P. Sandles of Putnam county and C. H. Ganson of Champaign county were re-elected to serve five years; L. W. Kilgore of Madison was elected for three years, and P. G. Swart of Summit for one year. The board met later for the purpose of organizing for the ensuing year. L. P. Baily of Belmont county was elected president.

American Delaine-Merino Record association elected following: President, R. K. Willis, Delaware; vice president, J. D. Irwin, Ada; secretary, C. S. Cleaver, Delaware; treasurer, C. S. Chapman, Marysville.

Killed in Collision.

Columbus, O., Jan. 18.—Albert Boyer, an engineer of Toledo, was killed in a collision between two freight trains on the Lake Shore in front of the station here. Another train had just taken a siding and the switch had not been closed when Boyer's train approached the station. Seeing the danger Boyer reversed his engine and jumped, being crushed to death by the roof of a boxcar which was hurled upon him. The fireman escaped injury by climbing back over the tender.

Train Hit Switch Engine.

Cincinnati, O., Jan. 18.—O. R. El-Hott, express messenger, and O. N. Colten, baggage master, were seriously injured and six others slightly hurt in a collision here between the Chicago special on the Pennsylvania line and a switch engine. The engineer did not see a signal that the switch was open and the train jumped the track at the switch. The passenger engine was demolished and the baggage and smoking cars were derailed.

Found Relatives Dead.

Fostoria, O., Jan. 18.—Louis Shuman went to the home of John Kraeis to see his sister-in-law, Mrs. Kraeis. On entering the house he found his father-in-law, Clement Leidy, sitting by the stove, fully dressed, dead, and his 17-month-old son Leo on the floor of the bedroom dead. Mrs. Kraeis was in a dying condition. All had been asphyxiated by natural gas escaping from a stove. There is no hope for Mrs. Kraeis' recovery.

Railroads Outwit Oil Men.

Columbus, O., Jan. 18.—A virtual admission that they had been baffled was made by the independent oil men when the taking of testimony in their case against the railroads was postponed until March 19. Not only were the railroads prepared for every move of the complainants, but by changing at the last minute their rates for carrying petroleum products, they almost nullified the case of the oil men.

Automobilist and Daughter Dead.

Cleveland, O., Jan. 18.—The explosion of gasoline in the tank of an automobile caused the death of William Garraway and his little daughter. Garraway was working in the garage and when the gasoline exploded his clothes were saturated with the fluid and set on fire. In attempting to save his daughter she was fatally burned from the fire on his clothes, and he lost his own life.

Officers of American Breeders.

Columbus, O., Jan. 18.—The American Breeders' association closed its annual meeting here. The following officers were re-elected: James Wilson, secretary of agriculture, president; W. M. Hays, Washington, secretary; Professor Oscar Erf, Manhattan, Kan., treasurer; A. P. Grout, Winchester, Ill., chairman animal section; C. W. Ward, Queens, N. Y., chairman plant section. C. B. Davenport of Cold Spring Harbor, N. Y., was elected secretary of the animal section in place of E. A. Burnett of Lincoln, Neb. Professor N. E. Nansen of Brookings, S. D., was re-elected secretary of the plant section. Resolutions were adopted urging the discontinuance of distribution of seeds by the agricultural department and the application of the money for this purpose to agricultural research and the importation of new seeds.

Buckeye Couple in Jamaica.
Tiffin, O., Jan. 18.—Attorney James D. Watson and bride of this city are among those who were at Kingston, Jamaica, Monday, and it is feared that they may have been victims of the earthquake disaster. They were married New Year's day and started upon a wedding tour with Jamaica as their objective point.

Taken to Atlanta.
Columbus, O., Jan. 18.—Twenty-seven federal prisoners were taken from the Ohio penitentiary to the new federal prison at Atlanta, Ga. All but three of the prisoners slated for transfer were convicted of violations of the postal laws. The prisoners were shackled together on the trip.

Was Asphyxiated.
Norwalk, O., Jan. 18.—Mrs. Mary Watrous Pray, widow of the late ex-mayor, Ethan Pray, was found dead in her home in this city, having been asphyxiated from natural gas escaping from a baseburner stove.

DESPERATE FIGHT WITH MAD HOGS

Hoy Levering a Farmer of Near Waterford, O., Has Narrow Escape With Life.

Waterford, O., Jan. 18.—Hoy Levering, a farmer residing west of Waterford, fought a fierce battle with two hogs Wednesday afternoon, in which it was a case of who should die.

Levering had two hogs in separate pens, but the hogs managed to break down the fence between them and they were fighting each other, when discovered.

Levering picked up a club and went into the pen to separate them, but he had hardly set foot in the pen before both hogs made for him. One of the hogs anchored his teeth in Levering's trousers and they were literally torn off.

Striking with all his might Levering hit one of the hogs in the head with the club he was carrying, and killed it. The other animal continued to attack Levering, but he finally landed a blow which brought it to the ground. The hog had been rendered unconscious.

THE REASON WHY

WE SO STRONGLY ENDORSE AND RECOMMEND VINOL TO THE PEOPLE OF NEWARK.

Our local druggist Mr. Frank D. Hall, says: "We do not believe there is a man, woman or child in Newark whom our famous cod liver preparation, Vinol, will not benefit at this season of the year."

"We believe there is no need for so many people to drag around run-down, tired out and debilitated, or for old people to remain weak and infirm when we guarantee Vinol will restore health and strength."

Continued Mr. Hall: "For centuries cod liver oil has been recognized as the grandest of all body building agents for wasted human strength and vitality, but on account of the nauseating and system clogging oil which enveloped its curative properties few could take it with benefit."

"In Vinol you get in a concentrated form every one of the curative and strength creating elements of cod liver oil actually taken from fresh cods' livers, the useless, system clogging oil eliminated and tonic iron added."

"Vinol is guaranteed by over five thousand of the leading druggists of the United States to create strength for old people, for the run down, tired and debilitated, weak, sickly women and children, and after a severe sickness."

"We ask every such person in Newark to try Vinol. It costs nothing if it fails." Frank D. Hall, Druggist.

Note—While we are sole agents for Vinol in Newark, it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in year town.

AN AMENDMENT BY BLACKBURN

TO FORAKER'S BROWNVILLE SUBSTITUTE OPPOSED BY OHIO SENATOR.

PRES. MAY SEND MESSAGE

Recommending the Increase of Commerce Commission's Power to Deal With Car Shortage.

Washington, Jan. 19.—Senator Blackburn offered an amendment to Senator Foraker's Brownsville substitute, disclaiming any intention on the part of the senate to question the president's right to discharge the negro troops.

The senior senator from Ohio, who concluded the argument, at once declared his opposition to the amendment. He discussed the power of the executive, holding that the affair at Brownsville ought to be investigated simply as to the facts, and the question of power determined later if it should arise as the result of the inquiry. He reviewed his previous utterances, maintaining the same position in every respect. He replied to arguments which have been made since his first speeches, especially those of Senators Spooner and Knox. He defended the Twenty-fifth infantry, reviewing the "escapades" it is charged with, expressing his astonishment that the record furnished the senate by the war department in this particular was not complete, and stating that in response to his request it had been supplemented by information which was decidedly favorable to the regiment. Consideration of the resolution was deferred until Monday.

The Republican leaders accept the Blackburn amendment as a political move, and most of them express the opinion that it is the result of a Democratic conference. This Senator Blackburn denies, but he says with apparent confidence that it will have practically the unanimous support of Democratic senators. The Republicans are trying to get an unanimous agreement to lay the amendment on the table, but some Republican senators express a disinclination to pursue that course, because they fear it would be construed as a reflection on the president. Several senators advocate an amendment along the lines suggested by Mr. Aldrich, saying, in the language of a western senator, that it would have the effect of "denaturing" the Blackburn provision. For the present the intention of the Republican managers is to confine their efforts to holding back debate and to await developments.

President on Car Shortage.

Washington, Jan. 18.—The president expressed his willingness to send a special message to congress recommending the giving of increased power to the interstate commerce commission to meet such conditions as that growing out of the car shortage. He made this statement at a conference with the interstate commerce commissioners and representatives of the reciprocal demurrage convention recently held in Chicago. The commissioners' outline of what would be proper legislation on this subject meets with the hearty approval of the demurrage convention representatives.

Defeat Roosevelt Resolution.

Charleston, W. Va., Jan. 18.—The senate, by a strict party vote, rejected the amendment to a resolution endorsing President Roosevelt and commending his stand on the Brownsville affair. The amendment was proposed from the Democratic side, and the Republicans characterized it as an attempt to play small politics and put the Republicans on record. The Democrats then voted against the resolution.

FINE HORSES

Purchased for Zanesville From H. A. Montgomery of Nashport for Patrol Service.

H. A. Montgomery of Nashport, delivered to Zanesville Wednesday a handsome team of horses which have been purchased for use in the fire of police departments. Chief Tanager of

the fire department and Mayor Deacon were in Nashport Tuesday to look at the horses and a deal was soon made.

The new team is a pair of bays, four year olds, each horse stands 16 hands high, and weighs 1250 pounds. Besides strength the animals are built for speed which is required in a fire or police department horse. The horses are finely matched and will probably be used together in the patrol wagon.—Zanesville Courier.

PREPARING TO FIGHT WORSE EPIDEMIC

Pittsburg Health Bureau Anticipates Large Increase in Typhoid Fever.

Pittsburg, Jan. 18.—That this city is destined to experience another great typhoid fever epidemic, as bad if not worse than the one of a year ago, is, in the opinion of health bureau officials, almost certain. At this time the daily number of cases reported is about normal, but a marked increase is expected soon.

A continuance of the inclement weather will have a tendency to hasten the speed of the disease which under ordinary weather conditions would be at hand in the latter part of March or in April. In that season the last great epidemic was at its worst, more cases being reported for the month of April than in any other month in the history of the city. The health authorities are now combating a local epidemic of typhoid fever in the Twenty-first, Twenty-third and Twentieth wards in the order named, principally in the former. These three wards are said to compose the fever belt, the increase in the Twenty-first being quite heavy.

During the last epidemic the Twenty-third ward in Hazelwood had the greater number of fever cases, but of late the scourge of the disease seems to have shifted to the Twenty-first. Dr. James F. Edwards, superintendent of the bureau of health, believes that the large number of foreigners in the ward is responsible for the increase.

"The ward is somewhat unsettled as yet," said Dr. Edwards, "and that may have something to do with it. But the laxity of the foreign element I have learned, is to blame."

The 14 wards of the south side experience an aggregate total of 25 cases each month. Almost any other ward in the city has this number of cases each month.

MINERS' CHARGE.

Department of Commerce and Labor Conducted in Capital's Interest.

Indianapolis, Ind., Jan. 18.—The delegates to the eighteenth annual convention of the United Mine Workers adopted a resolution demanding the separation of the department of commerce and labor and establishing a department of labor. The resolution also attacked Oscar Straus, the new secretary of the department of commerce and labor, charging him with permitting and aiding employers to violate the contract labor act. It was also declared that the department was being conducted more in the interest of capital than labor, and that in order that the interests of labor shall be guarded and the purpose of the act creating the department carried out, that a consistent friend of labor should be placed at the head of it.

WITNESSES

For the Prosecution in the Thaw Murder Case.

Marion, O., Jan. 18.—Otto Rhinecker, head draughtsman of the Huber Manufacturing company here, a graduate of Heidelberg university, says he will be a witness for the prosecution at the trial of Harry Thaw for the murder of Stanford White. Rhinecker says White was a close friend, with whom he associated for four years, and that the stories of White's immoral conduct with young girls in his New York studio are not true.

DANDELION

unequaled for the cure of dyspepsia and all stomach trouble.

It is the work of the stomach to ferment the food and anything that interferes with this process of fermentation may be a cause of dyspepsia. Strictly speaking there are dozens of causes of stomach trouble. The kind and quantity of food taken, worry, mental excitement, nervousness, lack of proper exercise. It takes many forms such as debility (that tired feeling), loss of appetite, pain after eating, acidity, flatulence, vomiting, palpitation, cramps in the stomach.

Dyspepsia is dangerous because it has very marked influence on the bowels, the kidneys, and the heart. It should therefore never be neglected. One or two boxes of Dr. Edwards' Compound Dandelion Tablets have cured many severe cases of stomach trouble. If you are a sufferer from this complaint buy today a box of this famous vegetable remedy and enjoy your meals as you used to do.

FOUND HER DEAD

GNAWED BY RATS

Chicago, Jan. 17.—Mrs. Maggie Munn of Bisbee, Ariz., was found dead Thursday in her room in a small west side hotel. Her body had been gnawed by rats and it is believed she had been dead more than 12 hours. Pending an investigation her husband, Alfred Munn, has been arrested. Munn says his wife died of pneumonia. He says he had not been near her for more than a week. He declared that she had complained of being ill when he last saw her. On his return to the hotel he found his wife dead and notified the authorities.

OHIO SOCIETY OF PHILADELPHIA

HELD ITS THIRD ANNUAL BANQUET IN THAT CITY TUESDAY NIGHT.

Several Former Newark Men Are Members of the Society and Attended the Meeting.

Philadelphia, Pa., Jan. 18.—The third annual banquet of the Ohio Society of Philadelphia was given on Tuesday evening in the red room at the Bellevue-Stratford. The society was organized June 30, 1904, and is composed of natives of the Buckeye State, descendants of natives or men who have resided in Ohio for a period of seven years. The organization has a membership of more than 100, and has as its newly elected president, Charles D. Barney, head of the financial house of Charles D. Barney & Co. a son-in-law of the late Jay Cooke.

The retiring president Dr. E. E. Montgomery was toastmaster at last night's function and the toasts responded to were Our Part in the Nation's Progress, ex-Judge Dimmer Beebe, president of Union League; Who You Are and Why You Are Here, Thomas A. Daly, president of the American Press Humorists; Ohio as It Looks From Here, Assistant District Attorney Joseph P. Rogers; Civic Righteousness, Franklin Spencer Edmunds.

Prior to the banquet a business meeting of the society was held at which the following officers were chosen: President, Charles D. Barney; vice president, Kendall B. Cressey, Dr. Charles S. Barnes, Dr. Daniel M. Hoyt, William S. Taylor and Rev. John D. Skilton; secretary, C. H. Graves; recording secretary, E. F. Tibbitt; treasurer, William H. Hollar. The new members elected to the board of governors are: Dr. Charles W. LeFever, Eugene O. Mosier, Rev. Sherman Doyle and Dr. David Riesman.

A banquet was served with the following menu:

Cotuit oysters; Puree Argentine; Hors d'oeuvres; Turban of Kingfish a la Bellevue; Potato Brabant; Filet of Beef Pique Superior; Tomato Farce; Ohio Punch; Quail Stuffed with Nuts; Romaine Salad; Camembert and Roquefort cheeses; Parfait Montrose; Fancy cakes; Cigar; Coffee.

ALEXANDRIA

Mrs. A. D. Nichols Sustained a Severe Fall Down a Flight of Stairs—News and Personals.

Alexandria, O., Jan. 18.—Mrs. A. L. Nichols had quite a severe fall down a flight of stairs. Their little boy Lester had fallen asleep on the sofa down stairs and his mother picked him up and carried him up stairs. When Mrs. Nichols reached the top of the stair case she was over balanced by the weight of the boy and she fell down carrying the boy with her. She had presence of mind to try to save herself by turning and thus broke the force of the fall. She received several hard bumps and a cut on the back of her head, but no internal injuries were sustained. For several days however she was unable to do her work about the house.

Revival services will begin at the M. E. church next Sunday. The public is invited to attend these services. A special feature of these meetings will be the congregational singing. Come out and enjoy the services. The first service will be held Sunday morning at 10 o'clock, subject, "Conditions of a revival." Preaching again at 7 o'clock p. m. subject, "The Revival in History." Services each evening of next week. Song and praise service each evening.

DR. JACKSON'S

Digestive and Live Powders Highly Recommended.

Wm. H. Riehl, 1319 Grant street, with the Riehl Billiard Hall, Main street, Zanesville, Ohio, says:

"That I am convinced that Dr. Jackson's Digestive and Liver Powders were the means of saving my life as well as that of my wife's. Mr. Riehl had indigestion brought on by over exertion and not taking time to eat his meals properly. The food instead of dissolving lay in the stomach and fermented, gas formed, which crowded the heart and kidneys, his blood became loaded with sour juice causing uric acid in the blood, finally Lumbago Rheumatism and kidney disease came on to such an extent that he could not turn over in bed. Dr. Jackson's Blood Purifier and Nerve Tonic acted on his kidneys, toned his nerves and brought appetite, together with the Digestive Powders which dissolved his food, threw off the gas, relieved the pressure of the heart and kidneys, and converted his food into pure blood, nature doing the rest."

DR. JACKSON'S DIGESTIVE AND LIVER POWDERS are put up in powder form and contain every ingredient needed for the weak digestive organs in proper proportions. Being in powder form they dissolve as soon as they reach the stomach and give instant relief.

On sale by all druggists. Dr. Jackson's picture on every package. Price 50c and \$1.00.

DOCTORS ADMIT

That They Can Do Nothing More for Your Stomach Than Stuart's Dyspepsia Tablets Are Doing Every Day.

COSTS NOTHING TO TRY.
According to the expert analysis of government authorities in the United States and Great Britain, Stuart's Dyspepsia Tablets contain the exact elements provided by nature for digesting food in the healthy stomach.

Stuart's Dyspepsia Tablets have saved sufferers from stomach disorders millions of dollars by giving them, in one small 50 cent package, more relief than countless treatments by physicians would bring about at \$3.00 per visit.

Perhaps you are afflicted with dyspepsia—or some kindred disease arising from a disordered digestion. It may be headaches, heartburn, nervous debility. They all have their beginning in a stomach which does not secrete the juices or grind the food which is taken into it.

If so, we urge you to send for a free trial package of Stuart's Dyspepsia Tablets. It will cost you nothing and surely will bring you no gain unless you find, after using it, that you are benefited and feel that you need a full-sized package.

There is absolutely no danger in using Stuart's Dyspepsia Tablets. Nothing is contained in them that has not been subjected to the closest scrutiny by the government officials.

Stuart's Dyspepsia Tablets will digest your food without demanding a careful diet. One grain of these Tablets has power to digest 3,000 grains of ordinary food. You can be sure therefore that no matter what your condition, these little tablets taken after each meal will shortly restore your stomach to its normal condition and render it capable of doing its work unassisted.

We withhold the names of hundreds who have written us voluntarily expressing their gratitude to this simple substitute for nature.

Send for trial package today. F. A. Stuart Co., 70 Stuart Bldg., Marshall, Mich.

LARGE CAVE,

Apparently the Necropolis of a Prehistoric Race is Discovered Near Knoxville.

Knoxville, Tenn., Jan. 15.—Convicts at work on the Brabson's Ferry pike, near here, yesterday dug into the top of a large cave which gave evidence of having been used in prehistoric times by a race of people now extinct. It is a veritable charnel house for human skulls and bones.

A lot of pretty shells and some metallic aspidiums were also discovered, indicating that the cave was the death house of the warriors of the race. Six bundles of relics were taken out from the section explored. The cave will be examined further. In the belief that they may throw some light on the aboriginal inhabitants of this country, perhaps a race preceding the Indians.

In New York City there will be \$180,000,000 paid in interest and dividends this month.

JOHNSTOWN HAPPENINGS

PROPERTY OWNERS WANT PIKE TO THE DELAWARE COUNTY LINE.

Town Now Has a Curfew Bell—Loan Association Will Show a Big Increase.

Johnstown, O., Jan. 18.—A petition is being signed by the property owners along the State road, north from Johnstown to the Delaware and Licking county line for a pike extending from Johnstown to said county line. The expense to be assessed on all properties adjoining said road, and on all properties on either side not extending over one mile back from said road. This is surely a movement in the right direction, as good roads are a great convenience, besides all properties near this pike will be greatly advanced in value.

Possibly the first curfew bell that ever rang in the village of Johnstown was rung here Monday night of this week. The committee has made arrangements to use the Presbyterian church bell for this purpose until they can procure a bell and have the same placed. What effect this curfew will have remains to be seen, as all depends upon how rigidly our council and corporate officers enforce the curfew ordinance. Let us hope at least that much good will be done to our young people, and that they will grow up to be honorable men and women.

Fred Stevens left Saturday for Mt. Clemens, Mich., where he will take treatment for rheumatism. He has been suffering for some time with this trouble. In a letter from him he states that he took his first treatment Sunday and is getting along nicely.

R. A. Crawford of the State Building and Loan Department is here this week making the annual examination of the Johnstown Building and Loan Association. The annual report will be published in a few days and will show a fine increase with assets of about \$400,000.

Miss Fannie Tyler left Tuesday for Guthrie, Okla., where she expects to remain for some time. We dislike to have her leave Johnstown, but we expect her many friends there are anxious for her return. We wish her a safe journey and a pleasant trip.

The gas well being drilled on the Widow Oldaker's lot near Appleton is progressing nicely. Tuesday they were down about 700 feet with about 500 feet cased. This well is being watched with interest by Johnstown parties because of its location.

A joint Teachers' and Patrons' Association will be held at Croton Saturday, January 19. All the teachers in the several district are urgently requested to attend. A splendid program has been arranged.

Miss Mabel Cheek left for Fredonia Monday where she has been employed as teacher in the schools of that village.

There will be preaching at the Presbyterian church Sunday at two o'clock by the Rev. David Dempster of Granville. The members and all interested are urgently requested to be present.

OBJECTIONS TO "THE CLANSMAN"

Zanesville Colored People Seek to Have the Show Suppressed in That City.

Zanesville, O., Jan. 18.—A committee of prominent colored people of the city, headed by Rev. J. W. Gazaway, pastor of the South street A. M. E. church and Dr. A. M. Thomas, pastor of the Union Baptist church, started a movement Thursday having in view the suppressing of the attraction at the Weller theater next week known as "The Clansman."

The show is scheduled for a matinee and night performance next Wednesday and is a dramatization of the famous book of that title. The book is a story depicting alleged events, occurring in the south immediately after the civil war, during the reconstruction period. By many people who have read the book it is said to be a story championing the cause of the whites in the south, as "Uncle Tom's Cabin" championed the cause of the slaves before the war. The play, as put on the stage, is said to be a thrilling one and in different sections of the country the colored people have objected strongly to its presentation, claiming that it shows only the worst side of the situation in the southern states and is unfair to the colored race.

The committee made an appointment with Mayor Deacon for 3 p. m. Thursday for the purpose of talking the matter over, but the conference was put off until today.

Johnstown Happenings

PROPERTY OWNERS WANT PIKE TO THE DELAWARE COUNTY LINE.

Town Now Has a Curfew Bell—Loan Association Will Show a Big Increase.

Johnstown, O., Jan. 18.—A petition is being signed by the property owners along the State road, north from Johnstown to the Delaware and Licking county line for a pike extending from Johnstown to said county line. The expense to be assessed on all properties adjoining said road, and on all properties on either side not extending over one mile back from said road. This is surely a movement in the right direction, as good roads are a great convenience, besides all properties near this pike will be greatly advanced in value.

Possibly the first curfew bell that ever rang in the village of Johnstown was rung here Monday night of this week. The committee has made arrangements to use the Presbyterian church bell for this purpose until they can procure a bell and have the same placed. What effect this curfew will have remains to be seen, as all depends upon how rigidly our council and corporate officers enforce the curfew ordinance. Let us hope at least that much good will be done to our young people, and that they will grow up to be honorable men and women.

THIS AND THAT

Get in on the January sales. Good attractions at the Auditorium next week.

The indications are that 1907 will be another record year for Newark. We will soon reach the 25,000 mark.

Who said that the lid was on tight?

Plumbers refuse to converse with the weather man.

The low shoe in January and pneumonia go well together.

Have you noticed that Newark has been getting quite a number of new business blocks?

There will shortly be lots of maple syrup on the market again that was never near a maple tree.

There are a lot of Licking county people who will not deny that the present game laws of Ohio are a disgrace.

Some people are so agreeable that they are disagreeable.

We imagine a man in a dry good store feels like a woman would feel should she go into a saloon.

A southern paper speaks of a man kissing a girl "under her mother's nose." There are times when a mother should keep her nose out of her daughter's affairs.

The bride who follows the idea that eggs must be cooked until they are tender, discovers her mistake in time, but the loving husband who believes he must eat everything she cooks, for fear of hurting her feelings by a refusal, usually has his discovery by the undertaker.

WILL HOLD COURT IN CITY BUILDING

OFFENDERS WILL BE BROUGHT BEFORE THE MAYOR IN PATROL WAGON.

Two Merchants Fined \$25 and Costs For Violating Lid Order, But Fine Was Suspended.

Plans are being made by Mayor McCleery and Councilman, which if put in operation will make a big change in the present method of holding police court. For some time it has been very disagreeable to hold court in the small court room at the city prison.

The mayor is now planning to hold the usual morning session in the mayor's court room in the city building. There are better facilities for the purpose and it is proposed to have the wagon bring the offenders from the city prison to the court.

room and take them back after the session is over.

Then all prisoners who draw sentences to the county jail can be dropped on at the jail on the return trip to the city prison.

In talking of the plan Friday morning, Mayor McCleery said: "We propose to try the plan anyway, and if we find that it does not work successfully, we can return to the present system."

Two more merchants who were charged with the violation of the lid order, appeared before Mayor McCleery Thursday afternoon and changed their pleas and accepted the fines imposed upon the other victims. George Baughman and Christ Baughman each pleaded guilty and paid the costs in the case amounting to \$9.90. The fine of \$25 was suspended on condition of good behavior.

SPECIAL TRAIN OF OHIO FARMERS

Big Delegation Will Attend Sessions of the National Farmers' Congress.

Columbus, Jan. 18.—Ohio delegates to the National Farmers' Congress met Wednesday afternoon and after considerable discussion decided that Ohio is not well enough represented at these conventions, and that they would make an effort to take a special Ohio train to the next congress, to be held at Oklahoma City, the train to start from Columbus. Mr. Sanford, of London, was elected chairman of the Ohio delegation, and was also appointed chairman of a committee which will endeavor to arrange for filling the special train.

The delegates also object to the appointment of "rubber-tired" farmers as delegates to the congress. For instance if a man is a lawyer, and a lawyer pure and simple, but owns two or three farms for amusement or investment, the farmers do not want him as a delegate. They want the farmers who live on farms and till the soil. The reason is that if some question should come up in the congress in shape of a clash between farmers and other interests, they fear the lawyer would join hands with the other interest. They want men who can be depended on to vote with the farmers.

WILLIAM D. KIDWELL.

Martinsburg, Jan. 18.—William Davis Kidwell, proprietor of a barber shop in this place was found dead at his home here Wednesday morning at 6 o'clock. Mr. Kidwell was up and about his home at 5 o'clock in the morning and an hour later was found dead death being due to heart trouble. The deceased was 53 years of age and is survived by five brothers and two sisters. The funeral was held Thursday afternoon at 2 o'clock Rev. Mr. Chapman of Utica officiating. The remains were buried in the Martinsburg cemetery.

CHRONIC ULCERS EXTERNAL EVIDENCE OF INTERNAL POISON

Whenever a sore or ulcer refuses to heal, it is a sure sign of a diseased condition of the blood. The sore itself is simply an outside evidence of some internal poison, and the only way to cure it is to remove the deep underlying cause. Sores and Ulcers originate usually from a retention in the system of bodily waste matters and impurities. These should pass off through the natural avenues of waste, but because of a sluggish condition of the different members they are retained in the system to be taken up by the blood. This vital fluid soon becomes unhealthy or diseased, and the skin gives way to some weak place and a Sore or Ulcer is formed. The constant drainage of impurities through a sore causes it to fester, grow red and inflamed and eat deeper into the surrounding flesh, and often there is severe pain and some discharge. S. S. S. is the remedy for Sores and Ulcers.

S.S.S.
PURELY VEGETABLE

It is nature's blood purifier, made entirely of vegetable matter, known to be specific for all blood diseases and disorders. S. S. S. goes down to the very bottom of the trouble, and removes the poison and impure matter, so that the sore is no longer fed with impurities, but is nourished and cleansed with a stream of healthy, rich blood. Then the place begins to heal, new flesh is formed, the inflammation subsides, and when S. S. S. has thoroughly cleansed the circulation the place heals permanently. Special book on Sores and Ulcers and any medical advice desired will be sent free to all who write.

GRANVILLE NEWS

Granville, Jan. 18.—James Patterson, one of the oldest and best known residents of Granville, who has been a sufferer with cancer for several years, died at his home on Granger street, Thursday at noon aged about 79 years. He had been a resident of Granville and Granville township almost his entire life, having spent a few years in the west. He worked at the blacksmith trade for many years, and for a long time had a shop on Goose Lane, one and one-half miles south of Granville. For several years however, he had been in failing health. He lived alone at his home on Granger street but since his last sickness his son, Clyde of Nebraska has been here taking care of him. Mr. Patterson is survived by a number of children. Funeral services were held Friday morning at 10 o'clock in the chapel of Maple Grove cemetery, conducted by the Rev. J. L. Wyly, and interment was made in Maple Grove.

Next Sunday will be the second Sunday after Epiphany. Holy Communion will be celebrated at St. Luke's church at half past ten. The sacrament of baptism will also be administered to several candidates. The regular service will be held at 8 o'clock, the venerable Archdeacon Mackenzie of Columbus and George C. Dickinson of Kenyon college, will conduct these services.

J. E. Pratt who, for a number of years has been the efficient sexton of Maple Grove cemetery, has resigned his position, and after March 1, will have charge of the Denison campus.

Center Star lodge No. 12, F. and A. M., of Granville will install the officers elect at the regular meeting to be held on Thursday evening, January 21.

Miss Margaret Little of Columbus, has been visiting friends here for a few days.

Miss Mame Harrold of Hamilton, has returned home after a visit with friends here.

Rev. J. L. Wyly, Henry Martin and wife are attending the State Farmers' Institute in Columbus this week.

The regular meeting of Myrtle lodge I. O. O. F., will be held on next Monday evening at which time the installation of officers will be held after which a social time will be held, to which all Odd Fellows and their wives are cordially invited.

Mr. J. Edgar Brown, who has been engaged in the dry goods business at Tiffin or some years and who at one time was a prosperous dry goods merchant of Granville, is now engaged in the same business in Traverse City, Mich.

Judge Howard Ferris of Cincinnati, was here Thursday to see his son, who is attending college.

The opening game of basket ball here is being played in Cleveland hall this afternoon with Otterbein university team. The Denison boys are in good shape and expect to make a fine showing. Manager Campbell has arranged a heavy schedule for the season.

In a communication received from Mr. H. R. Little of Paul's Valley, Indian Territory, it is learned that he is now president of the Santa Fe Trust company of that place. Mr. Little is a son of Henry J. Little of Hope, Kansas, who for many years lived in Granville.

The people residing in the vicinity of North street have awakened to find themselves in the midst of a promising gas field, and think it is time for the outside world to know about it. Already five good wells are in and two are in progress. The Central Ohio gas field, two wells on the C. I. Jones farm, two on Union Brooks' farm and one on the farm of Mervyn Smith. The Ohio Fuel company has one well on the farm of A. J. Cadd, and the Everett company is drilling a well on the farm of Mrs. E. L. Jones. The outlook for business during the coming summer is very bright.

The many friends of Mrs. Diantha Brooks will be glad to know that she has nearly recovered from her recent serious illness.

THREE WOMEN FELL UNCONSCIOUS FROM ESCAPING GAS FUMES

A Narrow Escape from Asphyxiation of Mr. Clarence Wilcox Friday Morning, and Only Prompt Assistance Saved Their Lives.

The entire family of Clarence Wilcox narrowly escaped asphyxiation early Friday morning, at the Wilcox home on West Locust street near Truth. By some good fortune the discovery was made that gas fumes were escaping into the house and though several members of the family were unconscious for a short time, they soon recovered.

It was about 5:30 o'clock that Mrs. Wilcox arose after spending a restless night. She went into the room of her daughter, Mrs. Hazel Bliss, to turn off the heat from the furnace. As she stooped over the register, she fell over in a faint.

Mrs. Bliss arose at once and went to her mother's room. Mr. Wilcox being called at the same time. Both reached the prostrate woman at the same time. They had worked over Mrs. Wilcox but a short time when Mrs. Bliss fell to the floor in a stupor.

Mr. Wilcox became very much alarmed at having two unconscious women to look after and not knowing the condition of the house or the extent of the gas fumes. He called Miss Jessie Wilcox and instructed her to open the windows but she did not go to the first window before she fell to the floor of the same room in an unconscious condition.

Mr. Wilcox then threw open every window in the upstairs rooms and completed, and it is quite an improvement to North street.

Frank Brooks has had his house repaired and an addition built on, making a cozy home.

There will be preaching at the Brooks school house Sunday, January 27, at 2:30 o'clock.

The most expensive chair in the world belongs to the Pope. It is of solid silver and costs \$30,000.

Injured for medical assistance. A physician was called and soon revived the three women.

The early discovery of the condition of affairs probably saved the lives of all three and possible that of Mr. Wilcox as well. None of them are in a serious condition though Mrs. Bliss and Mrs. Wilcox have felt more or less indisposed all day.

The cause of the escaping fumes has not been ascertained yet. Sometime yesterday afternoon one of the women went to the basement and lit the gas in the furnace. It was left turned low and the theory advanced is that the pressure came on stronger during the night and that the blaze was extinguished.

Mr. and Mrs. Wilcox and family have only recently returned from Charleston S. C., where they have been living for some time. They have occupied the J. A. Flory residence on Locust street which was vacated by Mr. Flory after the completion of the new residence on Church street.

Dr. Bower, who attended the stricken family, reports that all are out of danger. A strange feature of the case is the fact that neither Mr. Wilcox nor his son, Edward, were affected by the fumes. Little Miss Frances Cunningham, the five-year-old daughter of one of the actors at the Orphium this week, was the guest of Mrs. Bliss but she did not suffer from the effects of the gas fumes.

President's Reception.

Washington, Jan. 18.—The president and Mrs. Roosevelt gave a reception in honor of the judiciary. It was the second of the season's series of levees at the White House. There was a very large attendance, despite the inclement weather. Among those invited were members of the cabinet, the judiciary, Vice President Fairbanks, Speaker Cannon and many members of both the senate and the house.

WEDS MRS. BLAINE.

MRS. MARIA HICHSON BLAINE AND DAUGHTER MISS BLAINE. PHOTO BY HARRIS AND COWING.

Philadelphia, Pa., Jan. 18.—Much interest was manifested here in the marriage of Lieutenant Paul S. Pennell of New York City, and Mrs. James G. Blaine, Jr.

It was only a few days ago that Mrs. Blaine secured a divorce from her former husband in South Dakota. The wedding took place in the

Bellevue-Stratford Hotel and was witnessed by the father and mother of the bride and the father of the groom and a few friends only.

The bride upon this occasion surprised her friends by not wearing hellebore, her liking for which color resulted in her being called the Heliotrope Bride, but was married in a gown of brown chiffon.

Have One Doctor

No sense in running from one doctor to another. Select the best one, then stand by him. Do not delay, but consult him in time when you are sick. Ask his opinion of Ayer's Cherry Pectoral for coughs and colds. They use it or not, just as he says. We have no secrets. We publish the formulas of all our preparations. J. C. Ayer & Co., Lowell, Mass.

THE W. C. T. U.

The devotional half hour was led by Mrs. Parker. The Scripture lesson the 11th chapter of St. John was read.

In the absence of the president, the vice president filled the chair.

The business part was taken up and disposed of, after which Mrs. Pyler had charge of the subject for the day, "The Influence of Home."

The musical tea to be given later was discussed. Those on the committee are Mrs. Kiem, Mrs. Neighbour and Mrs. Meredith.

Next week's meeting will be in charge of Mrs. Kiem and the subject, "The Best Men and Women" will be discussed. A full attendance is desired. Come out and help in the good work.

JUDGE BRISTER ADDRESSES CARD

To the Citizens of Newark Who Wish to Take Children to Raise in Good Homes.

In accordance with the provisions of the Juvenile Court law, the Probate Judge has almost unlimited jurisdiction over boys and girls of 17 years of age and under, who come within those provisions. In cases of conviction, under this law, it becomes the duty of the Juvenile Court, in some cases, to make some permanent disposal of the boy or girl involved in the case. Many of these children have no parents or no homes; and some of them have parents and home worse than none. It is the desire of this Court to provide suitable homes for these homeless children. Good homes, where they will be properly cared for, reared and educated; where they will be developed into good men and women and useful citizens, instead of being allowed to drift deeper into poverty, vice and crime, as they surely will, if they are only neglected a little longer. I desire any good, reputable and responsible citizen, who would like to take such a boy or girl into his home and treat the boy or girl as one of his own, to either come and see me personally, or write and send me his name and address. I want it distinctly understood, however, that I do not propose to bind these children out to hard labor, merely. The children must do a proper amount of work, of course, and be taught how to work and be useful; but they must also be sent to school and treated as children are, in good and happy homes.

Sincerely,
E. M. P. BRISTER,
Probate Judge.

Gas Cut Off.

Charleston, W. Va., Jan. 18.—The natural gas supply was cut off again, compelling the legislature to adjourn after a short session. Suffering from lack of heat and power continues. It is still raining here and the Kanawha river has a full stage of water, but has not reached flood proportions. A portion of the Kanawha & Michigan track below here has been washed away and traffic to the north is at a standstill.

AMUSEMENTS

SPEDDEN AND HERSON.

This clever comedy sketch team opens the show at the Orpheum theater each afternoon and evening. They have some good songs, and in their dialogue work are superior to the majority of sketch workers. They spring some really new jokes, that catch the audience at the right time and never fail of hearty appreciation. In his tramp makeup Mr. Spedden does not resort to extremes to gain effects, and Miss Herson dresses her parts admirably and in good taste.

HI HENRY'S MINSTRELS.

When you see a good show make a note of it and the universal verdict is that Hi Henry's minstrels are one of

the best in its line. They will appear at the Auditorium on Saturday, January 19, matinee and night. Every-

thing presented by this favorite organization is said to be on the most elegant and costly description. When the curtain rises on their grand first part a murmur of admiration is heard from all sides. The personnel represents the very cream of the minstrel profession. The twentieth century star premier comedian, Mr. Charley Cano, who made such a hit with the Hi Henry show in the principal cities last season, and Bob Baker and a special London importation is that of England's biggest favorites in the song and dance line, Mack and Baxter, the European novelty, the Mantell troupe, the Imperial quartet, the Amphion Glee club, Mr. Hi Henry, the popular cornet virtuoso.

NEGRO TYPES ON THE STAGE.
Thomas Dixon Jr.'s widely discussed play, "The Clansman," will be the attraction at the Auditorium Thursday, January 24. Mr. Dixon's play is anything but conventional; it strikes out on new lines. From beginning to end the interest of the audience is sustained at the highest pitch, and climaxes are intensely thrilling. One of the most interesting features of this play is the large number of negro characters portrayed. It has been claimed that the play is a bitter attack on the negro race, but careful observation will point out that such is not the case. There are five distinct types of negro portrayed.

COURT HOUSE NEWS

Petition to Quiet Title.
In the case of Theodore C. Hamilton vs. Robert Callahan and R. H. Callahan, the plaintiff filed an amended petition to quiet title. Wood & Wood, attorneys.

Amended Petition.
In the case of Theodore C. Hamilton vs. John C. Crist, the plaintiff has filed an amended petition. Hamilton charges the defendant with having filed an affidavit against him charging him with stealing a half bushel of quinces, of the value of \$1.00. Plaintiff who was a guest of the charge, says he was damaged in the sum of \$10,000 for which he asks judgment. Wood & Wood, attorneys for the plaintiff.

Motion for New Trial.
In the case of Lida H. Miller vs. Stacy B. Perry and others, the defendants, by their attorneys, Jones & Jones, have filed a motion for a new trial.

Adjudged Insane.
An inquest of lunacy was held on Edward Wauhutka Thursday afternoon. Dr. J. W. Hornby made the affidavit. Wauhutka is the patient who was captured in an apple tree near Lebanon a few days ago and brought to Newark. He has been in Australia and all over the world. His insanity seems to have been brought about by debauchery and fast living. He is at times very violent and is dangerous to himself and others. He was adjudged insane and was taken to Columbus Friday and turned over to the officials of the State Hospital.

Probate Jury.
Probate Judge Brister issued an order Friday to the Sheriff and Clerk of Court of Licking county to draw a jury for the criminal term of the Probate court beginning the first Monday in February.

Go Get Your Fees.
The costs in the case of Ohio on relation of William Long vs. John C. Kreig, superintendent of the Licking County Children's Home, a habeas corpus case for possession of a child, have been certified by the Probate court to the Auditor and witnesses can get their fees by calling at the Auditor's office.

Habitual Truant.
The complaint of the State of Ohio against Jesse Smith and Joseph Smith filed in the Probate court recently, charging Joseph Smith with being a habitual truant, and his father, Jesse D. Smith, with doing nothing to prevent the truancy, was tried in the juvenile court Friday morning. The evidence showed that the boy, who is only ten years old, was a truant from school the greater part of his time, and that he was under a suspended sentence to the Boys' Industrial school at Lancaster, imposed on him by Probate Judge Irvine. The court on hearing the evidence in the case, gave the parents a severe admonition and continued the suspended sentence once more telling the boy that if he came before him again he would surely send him to Lancaster.

In Juvenile Court.
Ernest George was brought before the juvenile court Friday morning on an affidavit sworn to before Mayor McCleery, by Clarence Randolph, who charged him with having unlawfully and maliciously cut him with a knife to wound. Both boys are about 14 years old, though the boy charged with having done the cutting is quite large for his age. Both the boys work for the American Bottle company. Defendant, on being brought before the court declared that the cutting was accidental, but the plaintiff swore that George had taken his knife out and jabbed him on the breast, and exhibited a wound which bled profusely. The court ordered the defendant to pay a fine of \$2 and the costs within two weeks and in default thereof to stand committed.

In Squires' Courts.
On affidavit of Emma Waters a warrant was issued by Squire Lake for the arrest of Gid Boh, who is charged by the Waters woman with stealing a game rooster belonging to her. Rob was brought into court, pleaded not guilty, and the case was continued until Thursday, January 24. Rob gave bond for his appearance.

Not the New England Variety.
"Oh, they're real swell people," said the Chicago man, "an old 'Mayflower' family, I believe."
"You mean their ancestors came over on the Mayflower?" asked the visitor from the east.
"Oh, no! I mean they made their money in 'Mayflower' hams," oldest brand of hams in this section," Catholic Standard and Times.

John D. Rockefeller was re-elected superintendent of the Sunday school of Enclid Avenue Baptist church, Cleveland, O. He has served in that capacity 25 years.

WINS "PRIZE BEAUTY" OVER TELEPHONE

Sieus City, Iowa, Jan. 18.—"The handsomest young woman in Iowa," according to the decision of the "beauty" judges at the St. Louis exposition, has just been married in Chicago to the man who first fell in love with her photograph and courted her by telephone.

Miss Effie Henderson of Rodney, Iowa, 21 years old, and Floyd R. Wilson of Manilla, Iowa, 26 years old, are the principals in one of the most novel romances the state has had.

When Wilson first saw a picture of Miss Henderson he declared he fell in love with the principal, but had no more idea of meeting her than he had of flirting with the lone lady of the

moon. He was a brakeman on a passenger train, but was soon, by the direction of fate, given the place of a conductor on a dining car. One day as his train was pulling him over the sand hills of Western Nebraska toward Hot Springs, S. D., the girl of his dreams came into his car.

When she left the table her gloves reposed on the window sill at the dining car. Wilson took them, but instead of returning them he waited until he was sure she had returned home, and then he sent them by mail, accompanied by a perfumed note, which probably indicated, although did not say, why the gloves had been kept. But his desire was realized, and a charming "thank you" note came back promptly. There was warmth enough in it to warrant a reply, and soon the young people were regular correspondents.

About the same time that Miss Henderson entered the millinery department of a fashionable establishment in Sioux City Wilson's run was changed so he was permitted to spend a few minutes here every other day. This opportunity was laid hold of to the best advantage, and the telephone would ring in the millinery department on the morning Wilson was in town, and Miss Henderson would have a pleasant chat with her admirer. This year courtship continued for two years, and a few days ago it culminated in their marriage at the home of relatives of the bride in Chicago.

DIGESTION DECIDES IT.

Life is a ceaseless struggle for success because success is supposed to insure happiness.

Ambition and ability make for success, but without health too, failure is more than probable.

If the digestion is poor, the nerves unsteady, the blood thin, the weight less than it should be, and ambition and energy at low tide because of stomach trouble, failure is almost a certainty.

Whether you make much or little of life, whether you fail or succeed, your digestion largely decides it. So confident are W. A. E-man & Son that Peppinoid Tablets will renew your energy, drive away the tired feeling, give tone to the digestion, improve your appetite, bring up your weight to where it should be, put new color into your cheeks and new life into your stomach, that they continue to sell this grand digestant remedy on the money-back plan.

Have confidence. The guaranteed absolute purity of E-man & Son's Peppinoid Tablets will renew your energy, drive away the tired feeling, give tone to the digestion, improve your appetite, bring up your weight to where it should be, put new color into your cheeks and new life into your stomach, that they continue to sell this grand digestant remedy on the money-back plan.

CROTON.

Mrs. Sam Miller left Monday for Danville, Ill., for an extended visit with relatives.

A series of meetings are being held in the M. E. church, conducted by Rev. Mr. Smith, and much interest is being manifested.

Mrs. Cordelia Hafford, who has been on the sick list, is able to be out again.

Mrs. Allen Carpenter met with quite a serious accident while opening a glass can with a knife. The knife slipped and severed two arteries in the hand, which lacerated profusely. However, the wounded member is doing favorably under careful treatment.

A large number of the citizens of Croton were at the county seat Monday and Tuesday attending the Miller and Perry and over a hundred people.

Leslie Ferguson went to Marion the first of the week where he expects to secure employment.

Rev. Mr. Thomas of Van Wert county is the guest of Mr. and Mrs. S. R. Harris this week.

A. C. Cobb and O. C. Cobb have moved from High Street to the L. H. McMillan place. Mrs. McMillan expects to move to Fairfield, Ohio, to be lacerated and employed in the gas field.

One hundred children are suffering from measles.

Mrs. Emily Hafford returned Monday from the county seat where she had been attending the Miller and Perry and over a hundred people.

JEKYL AND HYDE IN PENITENTIARY

HARRY REYNOLDS, BIGAMIST, IS ANOTHER PERSONALITY WHEN DRUNK.

Applies for a Pardon, on the Ground That He Has No Recollection of Bigamous Marriage.

Columbus, Jan. 18.—A remarkable tale of mental aberration caused by liquor was related to the board of pardons by S. M. Young of Norwalk, attorney for Harry Reynolds, who is serving a three-year term for making a bigamous marriage with Mae Smith. Reynolds stood so well in his profession as a mechanical engineer that on the outbreak of the Spanish war he was made chief engineer of a gunboat, and in that capacity fought in the battle at Manila bay. Sometime after his return to this country he was on a freighter which was caught and wrecked in a winter storm on Lake Superior. Lashed to the rigging and beaten by the storm for several days, the captain and six men of the crew went insane from exposure and are still in asylums. Reynolds' mind also succumbed, but six months later he was pronounced cured. He had a good position with the engineering firm of Corrigan & Co. of Cleveland, and because of the quality of his work retained it in spite of occasional protracted absences. Mr. Young said there was both medical opinion and evidence in support of his belief that on these occasions the effect of the drink was to bring back temporarily the man's sanity. At such times he was apparently in full possession of his faculties, yet in reality was unconscious of his surroundings or his actions. Once an acquaintance saw him come out of a saloon with a stranger, to whom he gave what proved, when the stranger was compelled to hand it over, a check for \$1,500, yet afterwards Reynolds had no recollection of the incident. He claims to have no remembrance of the midnight marriage with Mae Smith, but pleaded guilty, according to his attorney, rather than place himself in the attitude of attacking the young woman. The W. C. T. U. of Norwalk filed a petition opposing the pardon, and many citizens, to whose standing and respectability former Secretary of State Laylin, attested, urged a pardon. One of the most eminent citizens had withdrawn his name from the petition. When it was brought out that he was the husband of the president of the W. C. T. U., the members of the board smiled in their belief that it was a case of petticoat government. \$20.00 suits and overcoats reduced to \$11.90 at George Hermann's Clearance Sale. 18-20

STRUCK BY HORSE'S HOOF

And a Little Girl Narrowly Escapes Death at Zanesville on Thursday.

Zanesville, O., Jan. 18.—Grace, the little six year old daughter of E. J. Smith who resides on Muskingum avenue, had a narrow escape from death when kicked on the head by a horse Thursday morning.

A delivery wagon belonging to the Standard Oil company was standing in the alley at the rear of the Smith home while the driver was filling some oil cans in the immediate vicinity. The child attempted to pass alongside of the team hitched to the wagon and while doing so one of the horses kicked, striking the child a glancing blow on the forehead. The force of the blow knocked the little girl back under the wagon. The driver happened to see the accident on rushed to the child's assistance and rushed to the child's assistance.

NEW PATROLMEN WERE APPOINTED

WHICH INCREASES THE NEWARK POLICE FORCE TO 25 MEMBERS.

Martin Shively, Samuel Dawson, Charles Burke and Dallas Liming Are New Men.

The construction gang of the Central Union Telephone company arrived Thursday and at once commenced work on the telephone system which will be installed by the police department. It is believed that the plant will be in operation by February 1. The workmen are making every effort to rush the work through as rapidly as possible so the police department can have the use of the patrol boxes quickly. Mayor McCleery has appointed four new patrolmen and these men will take up their duties as soon as the new reporting system is in operation. The new patrolmen are Martin L. Shively, Samuel L. Dawson, Charles O. Burke and Dallas Liming. Burke was a patrolman under Mayor Crilly's administration, and it will be remembered that he was confined in the hospital for several months by a severe attack of typhoid fever. He was not on duty after his illness. These extra patrolmen were provided for in an ordinance passed last fall and while they have been needed right along, the need has not been greater during the few months past any more than for a year or more. The safety board decided that it would be best to wait until the patrol boxes were installed before making the new appointments. The four new patrolmen together with Charles Cooper and George Abbot, who have been appointed as drivers of the patrol wagon, increase the police force to 25 men. Chief Hager has been mentioned as one of the wagonmen and it is probable, therefore, that the other wagonmen will be selected from the present force of patrolmen. Patrolman Shively has been qualified and the other new men will qualify within the next few days. All are required to furnish a bond for the performance of their duty. In Africa the telegraph service frequently suffers interruption because giraffes become entangled by their necks in the wires. Elephants, too, are at times responsible.

FOOT CAUGHT IN ELEVATOR

AND WAS SO BADLY LURED THAT AMPUTATION WAS NECESSARY.

Serious Accident Suffered by Irvin V. McPherson, a Carpenter at Wehrle Works.

Thursday afternoon about 4 o'clock Mr. Irvin V. McPherson, a well known carpenter employed at the Wehrle works, met with a serious accident. He was riding on an ascending elevator when he leaned over a little too far and was struck on the head by the gate. He told the man running the elevator to reverse it, which he did, but Mr. McPherson's right foot became caught and was badly crushed. He was rushed to the Sanitarium in Long & McCament's Red Cross ambulance, where Drs. Jackson, Essington and D. M. Smith amputated the member four inches above the ankle. At this writing Mr. McPherson who is a married man aged about forty, is resting quite comfortably, and the indications are that he will make a rapid recovery.

COTTON MEN

Urged by Association to Throw Off the Yoke of Wall Street.

Birmingham, Ala., Jan. 15.—"Throw off the Wall street yoke" seems to be the predominant sentiment among the speakers at the third annual convention of the Southern Cotton Growers' association, which assembled here. Even utterances radical in the extreme were cheered when W. L. Foster of Shreveport, La., exclaimed that he hoped to see the time come when a man could not sell his cotton unless he was a member of the Southern Cotton association. All the addresses were tinged with the sentiment that the growers ought not to allow prices to be fixed in Wall street.
